Subject: Dow AgroSciences - OPP Leadership Meeting

Hello Shannon – I spoke with Rick last week and asked for the opportunity for Dow AgroSciences to meet with his leadership team sometime next month (if calendars can be made to work-out).

Rick supported the idea and suggested I talk to you.

- **Topic:** Dow AgroSciences' new prediction-based approach for R&D investments in new crop protection technologies.
- **Purpose:** A general review and request for feedback from USEPA-OPP leadership on our company's new approach.
- **Duration:** 60 minutes
- **Attendees:**
 - Dow AgroSciences – 5 individuals. Global Regulatory Leader (Ramnath Subramanian), Global Regulatory Science Leader (Kathy Clayton), Global "*Predictive Safety Center*" Leader (Reza Rasoulpour) and myself.
 - USEPA-OPP – Whomever Rick would like to invite....but we would request the list include leadership from EFED, HED, RD, PRD and Anna Lowit.
- **When:** Sometime in May if possible – sometime in June if May cannot work.

Thanks for your work on this Shannon – it is greatly appreciated. Do you want me to call you? I'm happy to go over some of these details.

Best Regards,

Bruce Houtman
